**Re: Planning and Zoning Commission Hearing Results**

**Application Name:** 570 Potomac Street Retail – Site Plan with Adjustments

**Application Number:** DA-2219-00

Dear Oyun Namjig:

Congratulations! Your application was approved by the Aurora Planning and Zoning Commission at a public hearing on May 26, 2021. The table below shows the results of the Commission's action.

Planning Case Number	Planning and Zoning Commission Action	City Council Review Required?	Planning and Zoning Commission Condition
2021-6001-00	Approved with a condition	No, unless appealed or called up.	1. Resolution of outstanding technical issues prior to recordation of the Site Plan and issuance of any building permits.

Note that your Planning and Zoning Commission approval may be appealed by an abutting property owner or called up for a second review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the Council has two meetings following Planning and Zoning Commission's decision to vote for a call up. In either event, I will let you know if a City Council hearing is required.

Any technical revisions may be uploaded for review as soon as they become available into the development review portal at [www.aurora4biz.org](http://www.aurora4biz.org).
