Re: Metro Community Provider Network

Case Number: 2007-6004-02

Dear Mr. Bixler:

Thank you for your initial submission for the above named minor amendment. We reviewed it and have the following comment:

A. Planning W. David Barrett 303-739-7133 wbarrett@auroragov.org

1. Show the sign as a rectangle on the site plan just like it is shown for the other monument sign.
2. Show the distance from the flow line or the back of sidewalk to the new sign on the site plan.

B. Traffic Engineering Brianna Medema 303-739-7336 bmedema@auroragov.org

1. Due to the age of the Site Plan, ensure entire sign at the New Sign Location is to the east of existing Stop Sign. This is to ensure the sign is out of the sight triangle as defined by COA STD TE-13.1.

Please resubmit your work with the requested change. If you have any questions please contact the referral person the comment is to. Please cc me on any correspondence. You may email the resubmittal directly to me at wbarrett@auroragov.org . Should you have any questions you may contact me via email or by calling 303.739.7133

Sincerely,

W. David Barrett
Sr. Planner II
