**Re: Aurora P66 Connection Project
Magellan Minor Amendment Application Form**

Mrs. Berry:

Please see the attached Minor Amendment Application Form for the Magellan P66 Connection Project. As discussed, Magellan Midstream Partners, Inc. is expanding the existing site's capability to ship product to other existing facilities. This expansion will include adding:

- Mainline pump (exterior)
- Process piping, valves and measurement equipment (exterior)

I have enclosed the following for your use:

- Minor Amendment Application Form
- Site plot plan – proposed additions in red - Attachment "C"
 - Sheet: 259-D-PRJ002

Thank you for your time in this matter and I look forward to a successful review and project. Please call with any questions.

Sincerely,
