Dear Mr. McKeon:

Thank you for your technical submission, which we started to process on Thursday, January 19, 2023. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since several important issues remain, you will need to make another submission in the form of a technical on or before Monday, February 27, 2023. **Please do not submit with AutoCAD SHX text.** Please revise your previous work and send us a new submission on or before Monday, February 27, 2023. Please email the case manager following the upload. You will continue to resubmit till all technical comments are complete.

As always, if you have any comments or concerns, please let me know. I may be reached at (303) 739-7259 or [amuca@auroragov.org](mailto:amuca@auroragov.org).

Sincerely,

- 2B. The pdf was very difficult to use and staff could not write comments on it as it kept freezing.
- 2C. Section 146-4.10.7 Electronic Message Boards - The area of the electronic message board signage shall not exceed 50 percent of the total sign area of the sign face. The pdf kept freezing so please check on this ahead of resubmission.
