**Re: Second Submission Review - Rockinghorse CSP #3, Amendment No. 2**  
Case Numbers: **2014-4010-02**

Dear Ms. Thomas:

Thank you for your second submission, which we started to process on October 19, 2018. We reviewed it and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments.

One minor issue remains, please include the clouds and redlines that pertain to the amendment as well as the amendment symbol and number. Please revise your previous work and send us a new submission on or before Friday, November 16, 2018. You can email the drawings to me for final processing. Please be aware that you cannot get final approval until all required easements are released and/or dedicated.

As always, if you have any comments or concerns, please give me a call. I may be reached at (303) 739-7184 or at [hlamboy@auroragov.org](mailto:hlamboy@auroragov.org).

Sincerely,

A handwritten signature in blue ink that reads "H. Lamboy".
