Dear Mr. Mueller:

The Planning Department has received your Development Application and assigned it to Brandon Cammarata who will be your Case Manager. Brandon will be responsible for processing the application and guiding it through the Planning Department's review process.

Our projected schedule is as follows:

The processing start date for this review cycle was Monday, September 30, 2019  
The City's initial review comments on your application are due to you on Thursday, October 24, 2019.  
Your City Council meeting has been tentatively scheduled for Monday, November 4, 2019.

Our schedule is based on actual working days and has already taken into account city holidays.

Under our system of enhanced review, it is possible to achieve a faster processing time than shown above if you respond early to our comments.

Please remember that all abutter notices for public hearings must be sent and the site notices must be posted at least 10 days prior to the hearing date. These notifications are your responsibility and the lack of proper notification will cause the public hearing date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained, to include checking with adjacent builders if development activity and/or sales are taking place on properties adjacent to your site.

For additional information about your application contact Brandon Cammarata at 303-739-7251. If at any time you have concerns about the timing or content of our reviews or any other questions, you may also call me directly at (303)739-7238.

We look forward to working with you!

Sincerely,

Mindy Barnes  
Planning Manager  
City of Aurora, Planning Department
