Dear Ms. Floyd:

The Oil and Gas Division has received your Development Application and assigned it to Colin Brown who will be your Case Manager. Colin will be responsible for processing the application and guiding it through the development review process.

Our projected schedule is as follows:

The processing start date for this review cycle was Monday, July 12, 2021.

The City's initial review comments on your application are due to you on Thursday, August 5, 2021.

Our date for an administrative decision on your application has been tentatively scheduled for Wednesday, August 18, 2021.

The Oil and Gas Division will make every effort to help you meet this schedule, but please note that the dates listed above are dependent on the timelines and completeness of all your submissions. If at any time you think you won't be able to meet a specific deadline, please contact your Case Manager as soon as possible so that we can adjust your schedule. Our schedule is based on actual working days and has already taken into account city holidays.

Under our system of enhanced review, it is possible to achieve a faster processing time than shown above if you respond early to our comments or if fewer submissions are required than originally anticipated.

For additional information about your application contact Colin Brown at 303-736-6824 or cmbrown@auroragov.org. If at any time you have concerns about the timing or content of our reviews or any other questions, you may also call me directly at 303-739-7676.

We look forward to working with you!

Sincerely,

Jeffrey Moore
Oil and Gas Division Manager
