Application Number: DA-1746-25
Case Number: 2021-8000-00

Dear Mr. Laudick:

Thank you for your recent submission, which we processed recently. We reviewed it and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since some comments remain, you will need to make an additional technical corrections submission. Please make your resubmission as soon as feasible.

Note that all our comments are numbered. When you resubmit include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

Feel free to contact me if you have any questions or concerns. I can be reached at, 303.739.7259 or amuca@auroragov.org.

Sincerely,
