Re: Sixth Submission Review – SEAM Advisory Site Plan Review
Case Numbers: **2020-6019-00**

Dear Ms. Watson:

Thank you for your sixth submission. We reviewed it and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments.

Please correct the issues on the PIP exhibit with Life Safety and coordinate with John Van Essen to finalize his approval. At that time, you may print final mylars of the Plat. Please utilize the attached mylar checklist when printing.

As always, if you have any comments or concerns, please let me know. I may be reached at (303)-739-7121 or dosoba@auroragov.org.

Sincerely,

Dan Osoba, Planner II
