Dear Ms. Denzer:

The Planning Department has received your Development Application and assigned it to Colin Brown who will be your Case Manager. Colin will be responsible for processing the application and guiding it through the Planning Department's review process.

Our projected schedule is as follows:

The processing start date for this review cycle was Monday, July 19, 2021
The City's initial review comments on your application are due to you on Thursday, August 12, 2021.
Your second submission is due to us on or before Thursday, September 2, 2021.
Our review of your second submission is due to you Friday, September 24, 2021.
Our date for an administrative decision on your application has been tentatively scheduled for Wednesday, October 13, 2021.

The Oil and Gas Division will make every effort to help you meet this schedule, but please note that the dates listed above are dependent on the timelines and completeness of all your submissions. If at any time you think you won't be able to meet a specific deadline, please contact your Case Manager as soon as possible so that we can adjust your schedule. Our schedule is based on actual working days and has already taken into account city holidays.

Under our system of enhanced review, it is possible to achieve a faster processing time than shown above if you respond early to our comments or if fewer submissions are required than originally anticipated.

For additional information about your application contact Colin Brown at 303-736-6824 or cmbrown@auroragov.org. If at any time you have concerns about the timing or content of our reviews or any other questions, you may also call me directly at 303-739-7676.

We look forward to working with you!

Sincerely,

Jeffrey S. Moore, P.G.
Manager, Oil & Gas Division
