Dear Mr. Green:

Congratulations! The Planning Director, George Adams, administratively approved your application for Case Number 2019-6033 on November 6, 2019.

A copy of the Director's decision and staff report have been sent to you under separate cover. Please note that this administrative approval may be appealed by an abutting property owner or called up for further review by a majority vote of the City Council.

A technical submission to resolve the remaining issues is still required, include a cover letter that specifically responds to each item in the Second Submission Review letter. If you have any questions about the Planning Department's approval process, please feel free to give me a call. I can be reached at 303-739-7541.
