**Re: First Technical Submission Review: Schomp Hyundai – Site Plan Amendment**  
**Application Number:** DA-1012-05  
**Case Number(s):** 1983-6023-09

Dear Mr. Elkhoury:

Thank you for your technical submission, which we started to process on September 20, 2022. We reviewed it and attached our comments along with this cover letter. The following sections contain more specific comments, including those received from other city departments, outside agencies, and neighborhood groups.

Since several important issues remain, you will need to make another technical submission. Please revise your previous work and send us a new submission on or before Friday, October 17, 2022.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please give me a call. I may be reached [rrabbaa@auroragov.org](mailto:rrabbaa@auroragov.org) or 303-739-7541.

Sincerely,

Rachid Rabbaa, Planner I
