Fire/Life Safety

**RE:** 11380 E Smith Rd – Minor Site Plan Amendment**Planning**

- 1A. Please review and revise the site plan regarding Planning and Fire / Life Safety comments. See redlined site plan and comments below for details.  
**Response by Rogue Architecture:** *Site Plan has been updated per Planning and Fire / Life Safety comments.*
- 1B. Add a note to the site plan stating the Denios storage container will be painted to match the color of the building. See redlined site plan for more details.  
**Response by Rogue Architecture:** *Note has been added to the site plan that the Denios storage container shall be painted to match the color of the building.*

**Fire/Life Safety**

1. Please show and label the bollards on the site plan.  
**Response by Rogue Architecture:** *Bollards have been added and labeled on the site plan.*
2. If the Propane Cage is subjected to vehicle damage, please label and show bollards on the Site Plan.  
**Response by Rogue Architecture:** *Bollards around the propane cage have been added and labeled on the site plan.*

We hope that the above responses and drawing updates provide the necessary information that satisfy your comments.

Should you have further questions regarding this project, please do not hesitate to contact me to discuss in more detail.

In advanced, thank you for your comments and we look forward to your review.
