Re: Fourth Submission Review – Kenton Heights – Street Vacation and Plat Amendment

Application Number: **DA-2310-00**

Case Numbers: **2022-3071-00**

Dear Mr. Upadhaya:

Thank you for your fourth submission, which we started to process on June 15, 2023. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since several important issues remain, you will need to make another submission. Please revise your previous work and send us a new submission on or before July 31st, 2023, in order to maintain your estimated City Council hearing date.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

Your estimated City Council hearing date is tentatively set for September 11th, 2023. Please remember that all abutter notices for decisions must be sent and the site notices must be posted at least 10 days prior to the hearing date. These notifications are your responsibility, and the lack of proper notification will cause the public hearing date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-739-7132 or egates@auroragov.org.

Sincerely,

Erik Gates, Planner 1
