**Re: Forth Submission Review – Dandelion Draw and No Name Storm – Infrastructure Site Plan**  
Application Number: **DA-1746-35**  
Case Numbers: **2022-6021-00**

Dear Mr. Laudick:

Thank you for your fourth submission, which we started to process on December 16, 2022. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Some issues remain so please resubmit directly to me through email. Please revise your previous work and send us a new submission on or before January 20, 2023. Please send the new submission directly to me via email. This “clean” site plan will be used as an exhibit for the Administrative Decision staff report.

Your estimated administrative decision date is tentatively set for February 8, 2023. Please remember that all abutter notices must be sent and the site notices must be posted at least 10 days prior to the decision date. These notifications are your responsibility, and the lack of proper notification will cause the decision date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-739-7450 or [efuselier@auroragov.org](mailto:efuselier@auroragov.org).

Sincerely,

Liz Fuselier, Planner I
