Re: Sixth Submission Review
SEAM Advisory Site Plan Review
Case No. 2020-6019-00
Aurora, Colorado
Eidos Project No. 18015

Dear Mr. Osoba:

The following are the responses to your 6th review comments that we received on July 15, 2021, for the SEAM Advisory Site Plan Review in Aurora, Colorado. The revised drawings are attached to this letter.

REFERRAL COMMENTS FROM OTHER DEPARTMENTS AND AGENCIES

1. Fire / Life Safety - John Van Essen PIP Exhibit Comments

1A. Please relabel the clouded items on the redlines as "Fire Lane Corridor and Access Corridor" or "Fire Lane and Access Corridors".

Response: Drawing notes have been relabeled.

1B. Add "Corridor" to the sections shown on the redlines.

Response: Drawing notes have been added.

Thank you for your time in reviewing the drawings. We hope that the responses have properly addressed your questions. If you need additional information regarding this project, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori M. Hanson".
