**Re: Initial Submission Review - Rockinghorse CSP #3, Amendment No. 2**  
Case Numbers: **2014-4010-02**

Dear Ms. Thomas:

Thank you for your initial submission, which we started to process on September 7, 2018. We reviewed it and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since several important issues still remain, you will need to make another submission. Please revise your previous work and send us a new submission on or before Friday, October 29, 2018.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please give me a call. I may be reached at (303) 739-7184 or at [hlamboy@auroragov.org](mailto:hlamboy@auroragov.org).

Sincerely,

Heather Lamboy, Planning Supervisor
