Good afternoon,

I am reaching out to you regarding our submission to the City of Aurora to approve a Plat Amendment for our property located at 19522 E. 22<sup>nd</sup> Avenue. The City has advised that they received a comment from you indicating that you are not in favor the plat amendment. I would like the opportunity to discuss the amendment with you and understand specifically what your objection is. Simply put, we are adjusting the eastern lot line (running north/south) for this property approximately 88' to the west. We are not making any other adjustments or improvements.

I would be happy to discuss further if helpful.

Sincerely,

Tim
