Re: Second Submission Review: Schomp Hyundai – Site Plan Amendment
Application Number: DA-1012-05
Case Number(s): 1983-6023-09

Dear Mr. Elkhoury:

Thank you for your second submission, which we started to process on June 28, 2022. We reviewed it and attached our comments along with this cover letter. The following sections contain more specific comments, including those received from other city departments, outside agencies, and neighborhood groups.

Since several important issues remain, you will need to make a technical submission. Please revise your previous work and send us a new submission on or before Friday, August 5, 2022.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

Your estimated Administrative Decision date is set for Wednesday, August 10, 2022.

Please remember that all abutter notices must be sent, and the site notices must be posted at least 10 days prior to the decision date. These notifications are your responsibility and the lack of proper notification will cause the decision date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained.

As always, if you have any comments or concerns, please give me a call. I may be reached rrabbaa@auroragov.org or 303-739-7541.

Sincerely,

Rachid Rabbaa, Planner I
