 \_\_\_\_\_  
 \_\_\_\_\_  
 Date File Retired \_\_\_\_\_

## Applicant Instructions for Minor Amendment Applications

1. Discuss your Minor Amendment application with a Planning Department representative (303.739.7217) for details on the Minor Amendment process, and to help you start your application and determine the application fee. If a Case Manager is already assigned to your case, it is advisable to call and make an appointment to meet with him or her directly.
  
  2. Staff will email electronic copies of your Site Plan on file in the Planning Department. **Cloud the areas of change and redline the drawings to scale.** The size of the original Site Plan is either 18"x24" or 24"x36" depending on the County. Please check with your Case Manager and keep the size consistent throughout. A sample redlined Site Plan Amendment can be found here. New sheets may be provided if necessary; however, the original signed Site Plan cover sheet must remain part of the set. These changes must correspond with the list of proposed changes shown on your application form and Site Plan cover sheet. Applications will not be accepted without these redlines. Additionally, please provide a letter of introduction explaining the scope of the project. Other materials may be required with the application.
  
  3. Payment: Application fees may be made with online payment. If online payment cannot be made, please contact the Planning Department for alternative payment methods. Online payment may be made at [www.aurora4biz.org](http://www.aurora4biz.org).
  
  4. The processing cycle starts every Thursday. Please submit your application a day or two early, so staff can look it over and be sure it's complete. Incomplete applications will not be accepted. Please reference the cover sheet of this application to ensure all required documents have been submitted. If an incomplete application is not "complete" by end of business Thursday, it will be moved to the following Thursday. **All applications must contain a property owner's signature and be easily readable.**
  
  5. Special Requirements for Telecom Facilities:  
 If your application involves installation of rooftop or structure mounted telecom facilities or changes to an existing telecom facility, you will be required to submit the additional information below as part of your application:
    - Photo simulations showing existing and proposed views of the facility from adjacent rights-of-way and/or open space.
    - Written response to the design and site selection criteria found in Section 146-3.3.5.JJ of the Unified Development Ordinance.
    - A completed Telecom Facilities Owner's Responsibility Statement form.
  
  6. Your amendment will be reviewed by a Planning Department Case Manager, any appropriate city departments, the Current Planning Manager, and the Director of Planning. Staff may determine that your application needs to be heard by the Planning & Zoning Commission or Board of Adjustment, rather than be processed administratively. If this is required, staff will notify you promptly and help you to prepare a full Development Application.
  
  7. If staff does not hear from you within 30 days, we reserve the right to close your application as inactive. Once it is closed, you may re-open your case at any time by submitting a new application and fee.
  
  8. Minor Amendment applications will not be approved prior to the approval of any associated drainage letters/reports, traffic letter or impact study, license agreements, or easement release/dedications.
