**Re: PLANNING COMMISSION HEARING RESULTS:
MURPHY FUEL AT CITADEL – CONDITIONAL USE AND SITE PLAN**
Application Number: DA-1422-13

Dear Mr. Hagener:

The Planning Commission portion of your application was approved by the Aurora Planning Commission at a public hearing on May 12, 2021. The table below shows the results of the Planning Commission's actions.

Case Number	Planning Commission Action	City Council Review Required?	Planning Commission Conditions
2017-3017-02	Conditional Use	No, unless appealed or called up	None
2017-6017-03	Site Plan	No, unless appealed or called up	1. Resolution of outstanding technical issues prior to recordation of the Site Plan.

Please be aware that your Planning & Zoning Commission approval may be appealed by an abutting property owner or called up for a review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the Council has two meetings following your Planning & Zoning Commission's decision to vote for a call up. The second Council meeting is on June 14, 2021. In either event, I'll let you know if a City Council hearing is required for the application. An additional technical submission of the site plan is required to resolve all technical issues and satisfy the Planning & Zoning Commission conditions of approval.
