RE: Letter of Introduction

To whom it concerns:

We are seeking approval to protect the Penske Truck business, located at 15500 E 32ND AVE., AURORA, CO (Parcel Number: 0182129302001) from the increasing crime, primarily but not limited to catalytic converter thefts with our outdoor, monitored, burglar alarm system that will be located inside of their existing perimeter fence, further interior to the property.

We have taken the latest approved site plans and marked them up with the red clouds showing the proposed installation.

Thank you,
Kimberly Showstead
