Re: PLANNING AND ZONING COMMISSION HEARING RESULTS: Metro Center Parcel A – Infrastructure Site Plan
Application Number: DA 1489 25

Dear Mr. Parkhill:

Congratulations! Your application was approved by the Aurora Planning and Zoning Commission at a public hearing on November 9, 2022. The table below shows the results of the Planning and Zoning Commission's actions:

Case Number	Planning and Zoning Commission Action	City Council Review Required?	Planning and Zoning Commission Conditions
2022-6034-00 (Site Plan)	Approved with One Condition	No, unless appealed or called up	1. Resolution of outstanding technical issues prior to recordation of the Site Plan and issuance of any building permits.

Please be aware that your Planning and Zoning Commission approval may be appealed by an abutting property owner or called up for a second review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the City Council has two meetings following your Planning and Zoning Commission's decision to vote for a call-up. In either event, I'll let you know if a City Council hearing is required.

Assuming no appeals or call-ups are filed, please address all outstanding comments that were sent in the second review letter on October 25, 2022, and make a technical corrections submittal at your convenience.
